Northampton Area School District Dual Enrollment Procedures

Dual enrollment is available to juniors and seniors who are making appropriate and satisfactory academic progress, obtain approval from the high school, and enroll in a transferable course. NCC classes may be used to satisfy high school requirements. Northampton students are responsible for their own transportation to and from the College.

6 Easy Steps

1. Complete the attached Northampton Area School District Dual Enrollment Application (needed only before initial enrollment). The signatures of 1) a parent or guardian, and 2) a Guidance Counselor or Principal are needed before submitting form to NCC Admissions Office.

2. Complete the attached NCC Admissions Application ($25 fee waived) only before initial enrollment to the Admissions Office.

3. Request that an official copy of your high school transcript (with SAT/ACT scores if available) be sent directly from your high school to the NCC Admissions Office; your file will not be complete until the Admissions Office receives your transcript.

4. Submit signed Student Release of Information form to the NCC Admissions Office.

5. Take the NCC English or Math placement test if you are enrolling in a class that has an English or Math prerequisite that is not satisfied by SAT or ACT scores or completed coursework. See attached schedule of testing times.

6. Submit a Course Registration Form to the Office of Records and Registration (preferably in a group registration meeting format at the high school), pay tuition, purchase textbook(s) and obtain photo ID.

NCC has the right to refuse admission to any specific class or program. Enrollment in all classes will be on a space available basis, and requires all prerequisites be met prior to registration. Students qualifying for dual enrollment are subject to all College policies and procedures.

Please note: If you intend to enroll at NCC after high school graduation, please submit a Change of Major Form to the Admissions Office so we’re sure to mail you an invitation to New Student Registration/Orientation.
