Program Paperwork Requirements

Education students are required to submit state-mandated clearances and related paperwork prior to enrollment in EARL, EDUC, ENGL215G, and SPEC courses in order to participate in the required field work. The field work in schools is integral to success in these courses.

Please review the requirements on the website and submit all documentation to education@northampton.edu.

QR Code to Education Requirements:

Students must take two General Education Electives (SIT/SSHB or SCI).

How to search for general education electives:

In Workday's Academics- Find Course Sections & Register, use the corresponding **Course Tag** filter to see the available options.

Arts and Humanities = AH
Scientific Study of Human Behavior = SSHB
Societies and Institutions Over Time = SIT

***It is the student's responsibility to be knowledgeable of NCC graduation requirements and, if applicable, to verify transfer requirements with the 4-year institution. Courses listed on the program map are based upon the assumption that prerequisites and courses taken in previous semesters will be successfully completed.**
