

The Bartender – Not just Beverages & Bars! Fall 2024

Join us at our newly renovated beverage training facility in the Fowler Family Southside Center for a unique workshop that goes above and beyond a basic bartending class. Our experienced instructor will take you from understanding the basics of drink recipes, the bar set up, concepts to key ingredients, speed techniques, etiquette benchmarks, how to control the customer experience and much more.

This hands-on workshop is taught behind the bar and includes:

- Field trips
- Industry guest speakers
- Job postings
- Capstone project where you create your own signature drink recipe
