

Golf Tournament

MONDAY, SEPTEMBER 15, 2025 | NORTHAMPTON COUNTRY CLUB

Dear Valued Sponsor,

We are thrilled to invite you to be part of a longstanding tradition that combines the love of golf with a great cause—the Northampton Community College Foundation’s 45th Annual Charity Golf Tournament on Monday, September 15 at Northampton Country Club! As volunteer co-chairs of this incredible event, we are proud to carry forward a legacy that has already raised over \$1.3 million to support student scholarships. Thanks to the generosity of golfers, sponsors, and supporters like you, we have been able to change the lives of countless students in need.

This year’s tournament promises to be another fantastic day filled with friendly competition, camaraderie, and a shared commitment to improving access to higher education. Whether you are a seasoned golfer or just looking for a fun way to give back, this event is the perfect opportunity to enjoy a day on the greens while making a lasting impact on students’ futures. Your participation makes a direct difference in the lives of hardworking students who rely on scholarships to pursue their dreams. ALL proceeds go toward student scholarships--providing financial assistance that helps students overcome obstacles and achieve their academic and career goals.

Included with this package are our sponsorship opportunities for this year. Please reserve your spot quickly! We have a limited number of spots, and we are very grateful that this tournament always sells out.

Join us for a day of fun, philanthropy, and fairways as we come together to ensure a brighter future for Northampton Community College students. To register or learn more about sponsorship opportunities, please visit www.northampton.edu/golf or contact us at events@northampton.edu

Thank you for your continued support. We look forward to seeing you on the course!

Warm regards,

Pat Amin
Committee Co-Chair

Denise McCall
Committee Co-Chair

Your Support is an Investment in the Community

Proceeds from the golf tournament benefit scholarships to provide access for students to realize their educational goals. Their lives are transformed at NCC.

Even as the most affordable college in Pennsylvania, **6 out of 10** of our students receive some type of financial aid.

40% of our students report that if NCC did not exist, there would be no college option for them.

Only **4%** of students can rely on savings or wages to pay for college. Proceeds raised from the outing go a long way financially to a student with need.

Participation in NCC's events such as the annual golf tournament has made a **huge impact** in the lives of not only NCC students, but in the lives of their families.

We hope you will join us for a great day of golf for a good cause!
